Mt. Baldy

Ski Baldy's backside this weekend. Join Jake and me at the bottom of the resort chair at 7:30am Saturday to take a scenic ride to the Notch then hike to the secret stash just west of Harwood. We will set up camp there and ski to our hearts content Sat & Sun. There has been reliable snow there for the last dozen years that usually lasts into June. Just note that this weekend the temps will be cold and we won't likely have corn - although we will have a good adventure. Reserve to Organizer [Alvin Walter](#).
